Calling All Middle School Parents

The yearbook coordinators for middle school need your help to make the 2016-2017 yearbook incredible. They need photos, photos and even more photos, especially the 7th grade.

There are shutterfly sites for both 7th and 8th grade already set up for ease in submitting photos. Please submit these today as time is ticking and our deadlines are fast approaching.

Please contact the following for questions:

7th Grade: Libby Cunningham - byebyeredjetta@yahoo.com

8th Grade: Judy Tyzzer - judytyzzer@sbcglobal.net

Thank you for your support.

LdV's 11th Annual

Daughters of da Vinci Dance May 5th, 2017!

The 7th grade class is honored to host this year's French Twist for current "Daughters of da Vinci" ek-8 grade and their parent/guardian date. There will be music, food, portrait studio, a boutique and prize drawings! Special invitations have been delivered to classrooms for all LdV daughters. Included with the invite was an admission ticket order form so remember to ask your daughter about the invitation or you can find extra order forms in Diane's office. Get your ticket early and don't miss out on this wonderful LdV tradition.

Cafe da Vinci Closing

This is the last week for cocoa and coffee from the Cafe...thank you to everyone who has supported our young entrepreneurs.

Renaissance faire Volunteers Still Needed!

Friday, April 7: Morning? Afternoon? All day?

To volunteer or with questions please email David@skylinescaffold.com

From the SCL (School Community Liaison)

Badges: Every parent on campus must sign in to the main office. If you are working anywhere on campus get a "Volunteer" badge and sign in the Volunteer book. If you are visiting a classroom, please sign in the book under Mona Lisa and wear a "Visitor" badge. Please sign out in the appropriate book before leaving. These precautions are for the safety of everyone on campus.

Tally Sheets: A September tally sheet was in your first day packet. Please turn it into your child's class or to the Volunteer Office at the end of the month.

Carry Over Hours: Hours from 2015-16 are only carried over to this year if they were worked AFTER May 15, 2016 (and turned in). Thank you to every parent who worked over their required hours last year (most of you). Our program shines because of you!

TB test results and Sex Offender Background check clearances: Must be on file before working in the classroom. Fingerprinting must be cleared before driving on or chaperoning fieldtrips.

Feel free to stop by the garage door Mon-Fri 7:30am-3:30pm or email me at diane-soule@scusd.edu, or leave a message at 395-4638.

Fingerprinting Requirements

Yes, you do need to be fingerprinted to go on a field trip...whether you are driving children or not...whether you are going by bus or not. The District requires any adult who is not fingerprinted to be in sight of a certificated person at all times, but it is vital that teachers be free to watch their students, not the grown ups who are there to help. So fingerprint please!

Driving on a Field Trip?

The district requirements for insurance (when driving kids on field trips) are as follows: minimum of liability \$50,000/\$100,000 and property is minimum \$25,000.

No Free TB Testing

SCUSD no longer offers free TB screening. For your convenience, the following are resources you could use (as well as your own doctor):

Wellspace Health: four locations. Please call 737-5555 for details. \$16

Elica Health Center: 3701 J St, suite 201, Sacramento. Please call 454-2345 to make an appointment \$40.

CVS at Freeport and Florin Rd. \$20

About the Newsletter

This newsletter is provided by the LdV PTC in conjunction with the LdV School Community Liaison. Please read it weekly in order to keep up with what is happening in our community. This is where you can get ideas about where and how to participate. This is also where you can announce any school related activities by submitting a short article about the event. Please be sure to include the date, time, and a contact name and number.

Déjà Vu?

If you read the newsletter weekly, some of the content may see familiar. Many parents choose to read the newsletter sporadically, and articles are run repeatedly so they can catch up. It maybe frustrating for you (and me) but read carefully since pages might seem the same but rest assured no two issues are exactly alike!

Please Remember

When approaching and leaving our campus...We ALL have children to drop off or pick up. We ALL have places we need to go. But the most importantly ALL of us need to be safe and courteous. Good behavior under pressure is a great lesson for the children in your car to witness. And please do not block driveways, walk on lawns or run the stop signs in our neighborhood!

LdV on the Web & Facebook

The weekly newsletter (without additional flyers) can be found on the **LdV web site: leonardodavincischool.org**.

You may also download Tally Sheets in either Word or Excel. The files can be completed and emailed to diane-soule@scusd.edu. When you email a tally you will receive a reply. If you do not receive a reply it means your email was not received.

Like Us on Facebook and stay up to date on LdV events! <https://www.facebook.com/LeonardodaVinciK8>

Please Remember the FB page is purely informational and to support our school and it's culture. Please "like" us if you would like news about LdV, meeting reminders, and event updates.

Feel like a Hot Cup of Coffee or Tea when Cafe da Vinci is Closed?

LdV PTC School Climate Committee has donated a KEURIG K Cup coffee maker for the use of teachers and parents. It is located in the front office for your use. You are welcome to bring your own pod and cup, or purchase a pod from Diane for only \$1. We have several strengths of coffee, as well as hot chocolate, and flavored coffees. Available for ONLY \$1

SCHOOL SPIRIT TASTES GREAT

Make dinner a selfless act by joining us for a fundraiser to support Leonardo da Vinci EK-8 school. Come in to the Chipotle at **4001 Freeport Blvd. Suite 102** in Sacramento on **Tuesday, April 18th** between **5:00pm** and **9:00pm**. Bring in this flyer, show it on your smartphone or tell the cashier you're supporting the cause to make sure that 50% of the proceeds will be donated to Leonardo da Vinci EK-8 school.

of your order when making your transaction, please note you must choose the pay in-store option and inform our cashier of your participation before paying. Gift card purchases during fundraisers do not count towards total donated sales. All purchases made with an existing gift card will count.

PTC Board

Are you interested in serving on the 2017-2018 PTC Board? Although some current board members are willing to continue in their positions, all Board positions are open for election. Contact diane-soule@scusd.edu if you are interested, and plan to attend the April PTC meeting.

Want to be Part of the BIG Event?

We are in the early planning stages of this year's adult only event. Please contact diane-soule@scusd.edu if you want more information. We're using SignUp.com (the leading online SignUp and reminder tool) to organize our upcoming SignUps.

Here's how it works in 3 easy steps:

- 1) Click this link to see our SignUp on SignUp.com: <http://signup.com/go/6ppjQF>
- 2) Review the options listed and choose your spot(s).
- 3) Sign up! It's Easy - you will NOT need to register an account or keep a password on SignUp.com.

Note: SignUp.com does not share your email address with anyone. If you prefer not to use your email address, please contact me at nurselisaldv@gmail.com and I can sign you up manually.

Garden Recess Volunteering is Fun!

The goal is to have the garden open as many recess periods as possible! Spending time in the LdV garden during recess is a wonderfully rewarding experience for all! Try it once and you'll be hooked. If interested, please contact Greg Richards or Linsey Martin at linsey_martin@yahoo.com

Have Something to Share?

Volunteers are needed to create interesting cultural displays for the CIE display case located in the main hall. The case can be adopted by an individual, family, or group of friends to highlight a culture of their choice. Choose a culture to highlight or a topic that celebrates our cultural diversity, then decide on the month and contact Noue at nyangleung@gmail.com

Earn Hours and Have Fun

Did you know that attending a LdV sporting event (volleyball, soccer, basketball) counts for Parent Volunteer Hours? Every adult who shows team spirit and is a shining example of good sportsmanship is an asset to our teams.

Donate Bells for Art Installation

Heather Hogan, an LdV parent, is the artist behind Tenacious Goods. Her temporary interactive art installation, called Ring Through, will be built at the First Festival in West Sacramento on May 6-7. She is in need of donations of metal bells of all shapes and sizes (as well as some funding) to build the art piece. More information can be found at tenaciousgoods.com/bells/ and donations may be left in the designated box outside Diane's office.

• There is a traveling **Leonardo Da Vinci exhibit** at the California Aerospace Museum (3200 Freedom Park Drive, McClellan, CA, 95652) with 40 full-size machine replicas made directly from Leonardo's innovative designs and drawings. The show goes through Sept 2018. <https://aerospaceca.org/events/davinci-exhibit/>

From the District

• Register now for Summer Matters

Summer Matters at SCUSD began their online registration for its four programs running June 26th - August 3rd: Summer Quest (incoming 1-6 grades), Summer of Service (incoming 7-12 grades), Summer Ambassador Program (current 9-11 grades) and Summer at City Hall (current 9-10 grades). Parents and students can access information and applications by attending one of the Summer Matters Information/Registration Nights on April 5, April 17 or April 21 at the Serna Center (5735 47th Ave.) anytime between 4 p.m. and 7 p.m. or simply registering online at www.scusdyouthdevelopment.org

• Credit and debit cards are now accepted for fingerprinting at the Serna Center.

• Free **immunization clinics** every Thursday school is in session from 3-5:30 pm at SCUSD Enrollment Center room 4, 643-9412 for info.

Yes We Do Have a Dress Code!

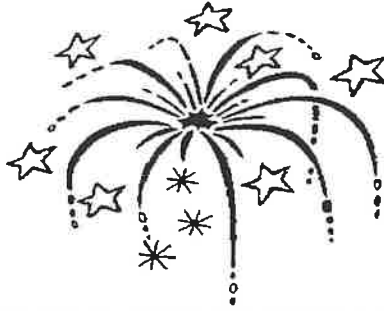

The dress code at Leonardo da Vinci eK-8 School sets a standard that is in the best interest of students and is considered appropriate for school. All students, staff, teachers, parents, and volunteers are expected to be neat, clean, and wear clothing that does not draw undue attention to the wearer. Examples are bare midriffs, spandex, yoga pants, short skirts/shorts, tank tops and cut offs.

Students' clothing and shoes should be appropriate for physical activities such as running, jumping, dancing, and kicking. Safety should be a factor when dressing for school.

The following apparel is not considered appropriate for students and cannot be worn at school:

- Shoes without back and toe support, or with high heels, cleats, or spikes. Examples of inappropriate shoes are platform, flip flops, slippers, t-strap sandals, clogs, and "jellies." Students who choose to wear "salt water" type sandals are at risk of bee stings and stubbed toes.
- Bare midriff, t-strap, see-through material, spaghetti-strap tank tops, low scoop neck, deep 'v', or tank tops with straps that are less than three inches wide. No bra straps may show. No shirts that are meant as underwear that are thin, revealing, or see through.
- Cutoffs, pajama pants, baggy clothes (more than one size larger), or saggy pants (not belted at the waist). No spandex, lycra or other skin tight pants (i.e. leggings) not covered by a second layer of clothing.
- Short shorts, skorts, or skirts - the test for required length of shorts, skorts, and skirts is to stand and extend the arms straight down at the side. The garment must be longer than where the fingertips touch.
- Shirts or jackets with inappropriate slogans or graphics: weapons of any kind, beer, cigarettes, insults, money, or promoting a negative or illegal lifestyle, etc.
- Headgear of any kind in the classroom. Hats may be worn outside only to shade the face/eyes.

The best advice is that if you are unsure whether the item of clothing will comply with the dress code, then it is best to wear something else. When students violate the dress code, parents will be notified and students will be sent home until they are dressed appropriately for school.

2017 LdV FIREWORK SALES PLANNING COMMITTEE MEETINGS WILL START AFTER SPRING BREAK. LET'S MAKE THE 7th YEAR OF THIS FUNDRAISER GREAT. CONTACT JASON MOORE Jason_moore66@yahoo.com IF YOU ARE INTERESTED IN JOINING THE PLANNING COMMITTEE.

LAST CALL FOR PHOTOS Due Monday, April 10th

The Yearbook Committee is currently collecting photos for the LdV Yearbook and we need your help. Please share your best photographs with us so all kids and a variety of events are represented. We specifically need photographs of the following:

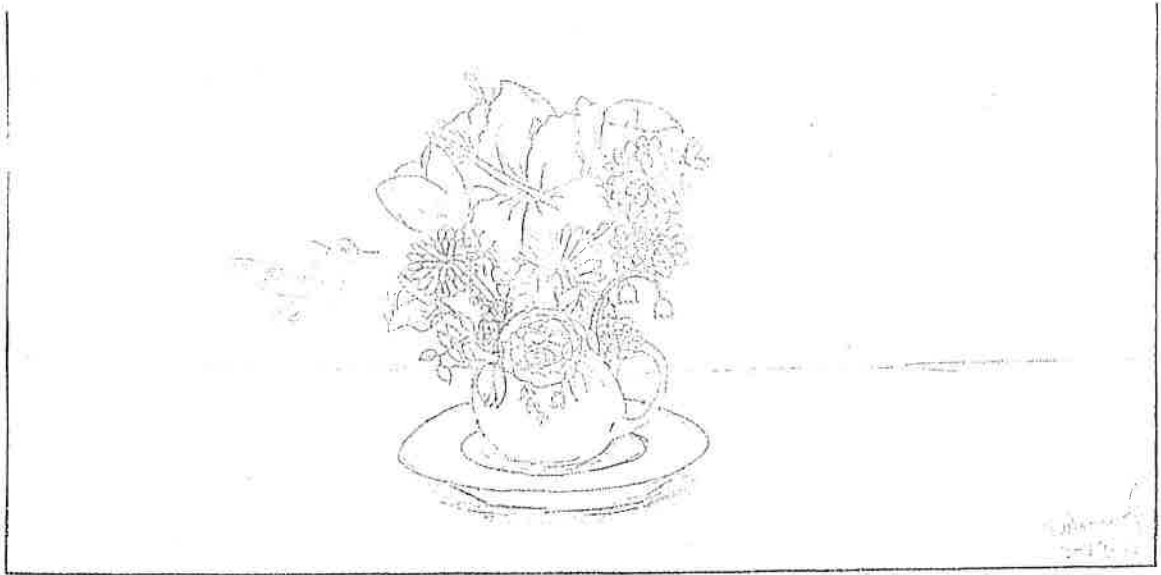

Science Faire
History Day
Garden
Matheletes
Funderland
Harvest Hoedown
Westminster Woods
Middle School Photos
Mother Son Dance
Ren Faire

Note: If you have anything else that you feel is yearbook worthy, please include them as well.

Please drop a clearly marked CD, DVD or flash drive in box in Diane's office in the box with this flyer attached to it. I will also accept emails.

For questions, please contact Terrie Hammad
916-804-3330 or terrie_hammad@hotmail.com

To send a Spring Greeting to a friend, please complete one or more of these designs and turn in the form (with 50¢) to the box in the front office. Make sure to include your friend's name and room number. Each gram will include a special treat!

LOCAL PRODUCE

Cilantro from NewStar Fresh

Salinas, CA 179 miles away

Founded just eighteen years ago in 1996, NewStar Fresh Foods might be considered a young company, but is built on a legacy that spans for centuries, resulting of the merging of two leading Salinas Valley fresh vegetable grower/shippers, and a rich collaboration of Salinas Valley farmers. Since its inception, NewStar Fresh Foods immediately established a strong presence in key markets and production regions. The strength of product offerings included a broad line of commodities, and bolstered NewStar's industry leading position in its flagship items: Green Onions, Asparagus, and value-added Spinach and tender leaf greens.

We'd like your opinion!

Sacramento City Unified School District (SCUSD) is updating our School Wellness Policy and we want your input!

We have drafted a revised policy that supports the health of students and staff and encourages a positive learning environment. The policy also now meets legal requirements in nutrition services, physical education, and other areas.

We would like to hear your thoughts about the draft revised policy. Please take the opportunity to provide feedback using our online survey.

Leonardo da Vinci School eK-8

We can't do this without YOU! Minimum hours encouraged for each family per school year:
one child-40 hours; two children-45 hours; three or more children-50 hours
Parent participation for late-entry students will be pro-rated

All hours (on & off campus) must be recorded on the monthly Tally Sheet and must be documented by: signing in and out (on campus in the front office, at a class or committee meeting, or with the supervisor of a work event); OR a blue verification card (available in the front office) signed by the teacher, class manager, or person overseeing your work hours. Blue verification cards must be attached to the corresponding Tally Sheet (verification cards turned in separately will not be counted); OR the authorized signature line on the Tally Sheet must be signed by the teacher, class manager or person overseeing your work hours.

- 20 hours completed by January 31st of the current school year.
- All parent hours completed and documented by May 15 of the current school year.
- Parents are strongly encouraged to attend all class meetings.

TALLY SHEETS: keep a copy of your Tally Sheets at home for your own reference

- One Tally Sheet per family per month unless there are two households where the child(ren) live.
- Tally Sheets are sent home monthly with the weekly PTC newsletter. (They are also available in the front office).
- Tallies are due the 5th of the following month, and no later than two months following participation.
- Updates of parent hours will be given out throughout the school year. Families are encouraged to find ways to get their hours, but if you need help, please feel free to contact the School Community Liaison (SCL).
- In addition to your family, work may be done by any person over 18 who does not have children enrolled at LdV. No person can be paid or compensated to perform parent hours.

IN-CLASS PARTICIPATION

- In-class volunteers must have a current TB (negative) test on file with the SCL. Tests are "good" for four years. A current, cleared SCUSD Sex Offender Check Authorization or fingerprints on file with the district.
- If you are unable to work in the classroom during your designated time, YOU must arrange for a substitute and inform the teacher or class manager.
- Do not bring siblings to class when you are working.
- Field trip drivers must have a current TB (negative) test on file with the SCL and fingerprints on file with the district.

HOURS ARE GIVEN FOR THE FOLLOWING ACTIVITIES:

At-home work for class	Length of time worked (signed blue card or authorized signature on tally sheet)
In-class work	Length of time worked (sign in front office)

Program Policies

- All supplies and materials are included in the class fee. You will not need to provide anything!
- Students will be grouped by similar grade if more than one class is offered; standard class sizes range from 15 to 20 students.
- This is a Mad Science Program. Any questions or issues should be directed to Mad Science and not the school or site organization.
- We will contact you prior to the start of the program to confirm your child's registration and inform you of the meeting location at the school. Please call us if you do not receive this email before the first day of class.
- Mad Science does not pick up the children from their regular school classroom to go to Mad Science. Children must walk themselves to our class. If you have a young child and are concerned they may not know where to go or may forget, please inform their regular teacher and he/she may decide to remind them weekly. If your child has other classmates attending Mad Science, they can walk over together.
- Mad Science is not responsible to ensure that your child attends our program and is not responsible for students who do not show up at our class. This means you and your child must coordinate your schedules and create reminders where necessary to ensure attendance.
- When registering your child you must indicate the method of release you wish us to use. The choices are "Daycare" (on site), "Walk" (dismissed at door) and "Picked up by" (signed out). For the "Picked up by" option, please list the names of all adults who will regularly sign out your child.
- Safety is a top priority with Mad Science. However, Mad Science is not responsible for students after we release them at the end of class. If you will be picking up your child after the Mad Science class, you must sign him or her out at the classroom.
- A \$25 fee will be charged for checks that are returned unpaid.
- Refund requests made before the start of the program are subject to a \$25 processing fee and will be granted only if requested at least two weeks prior to program start. As an option to receiving a refund check you may apply your remaining credit to another Mad Science after school program, birthday party, camp, workshop, etc.

Did You Know?

- A cloud can weigh more than 1 million pounds!
- A single bolt of lightning contains enough energy to cook 100,000 pieces of toast!

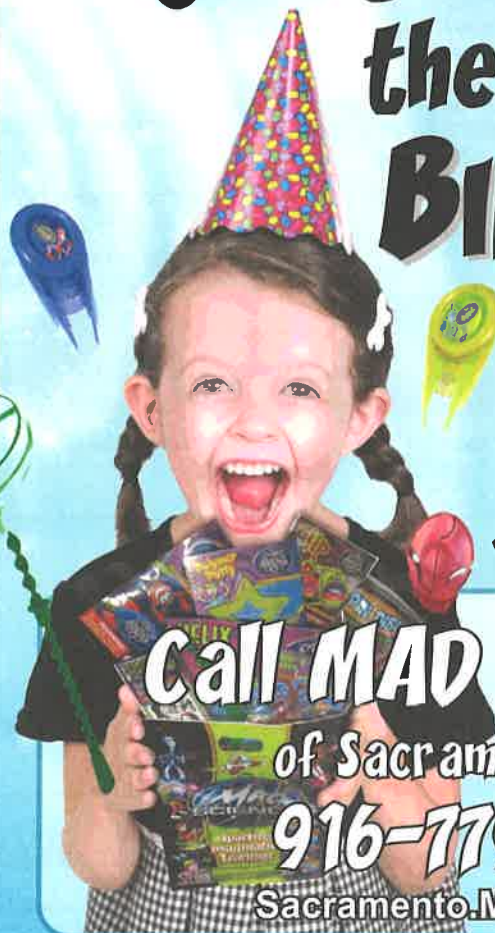

Who Is Mad Science?

Mad Science delivers a solid foundation of **STEM learning** (Science, Technology, Engineering, Mathematics) to children ages 4-12 by offering a large selection of after-school, summer, and preschool programs, as well as workshops, special events and parties. Our programs are aligned with **NGSS standards**, led by trained instructors using unique equipment, and performed at the location of your choice! Students learn how to apply **critical thinking skills** using **the scientific method** and they gain confidence by learning about science in an interactive environment. Many of our hands-on programs include a fun take-home project that sparks imagination and encourages continued learning.

We make science fun!

EMBARK ON AN ADVENTURE IN A GALAXY FAR, FAR AWAY...

Join us, young Padawan, as we paint, draw, and sculpt our way outta the galaxy! Along the way, we'll draw friends like R2-D2 and BB-8, paint our own starship, and create a light saber to dodge foes! If you love paint, pastels, and outer space, you won't want to miss out on this Galactic Adventure Art Camp!

SNEAK peeks

R2-D2 and BB-8

Whether your child is a die-hard Star Wars fan or unfamiliar with the franchise, they're sure to love this project! This loveable robot drawing is a great way to bring up drawing elements, such as focal point and foreground vs. background.

Toilet Paper Tube Creations

Yep, that's Yoda! Who knew we could have so much fun with a regular, old toilet paper tube? Here we transform them to new heights using felt, foam, and construction paper.

BUILDING CAMP

WHERE WOULD BATMAN BE WITHOUT THE BATMOBILE?

Or Iron Man without his suit? Every good superhero needs a set of spectacular gadgets! Join us as we create our own superhero and deck him out with super-special gear. Use LEGOs to create a robotic arm, or cardboard to create a Jet Pack you can wear around town. This camp is minute-to-minute, non-stop building and creating. If you love LEGOs and you can't wait to design your own secret headquarters, you've just got to join us this summer!

SNEAK peeks

K'NEX Drone

Drones are quick and agile aerial crafts that are usually piloted by a remote control. At camp, we're going to create our own version of a drone using K'NEX. While building, we'll learn about propellers and accelerometers!

LEGO Secret Passage

Gotta love a secret passage! How else would we help keep our headquarters secret? This project will test our skills, as we find a way to create a secret passage using a pulley system!

COME MEET THE OZOBOTS: A FAMILY OF TINY, SMART ROBOTS!

These right brain-left brain integrating bots build both creativity and coding skills in young learners. Campers will program the Ozobot Bits by drawing codable pathways and then continue on to program the robots using block-coding on tablets. In addition to the Bots, students will program using Scratch, a block-based programming language created by the MIT media lab. Throughout the week campers will develop skills in problem solving, sequencing, logic, teamwork, and engineering!

SNEAK peeks

Bit Bot

It's time to meet the smallest smart robot! Ozobot Jr. campers will use more basic color-coding as an introduction to programming their robots to move through a track of their own design, changing speed and direction along the way.

Scratch

Students will use laptops to experience Scratch - a development platform in which they will program their own interactive Ozobot challenge!

SHIFT YOUR CHILD'S LOVE OF LEGO INTO THE NEXT GEAR!

Campers will build and program LEGO robots to think, move, and react through a series of automation challenges. Campers use dedicated laptops and LEGO WEDO robotics kits to learn several aspects of engineering: automation, problem-solving, and programming. While LEGO robots remain at camp, photos of all robots and LEGO creations are presented at the end of the week, and project photos are sent home after camp.

SNEAK peeks

Programming Patterns & Modeling

Projects taught at camp will present programming in an intuitive way - letting students bring their creations to life, while sharpening their pattern-recognition and modeling skills. The software also features a colorful drag-and-drop interface that is easy for students to understand.

Programming Motion

Using a Bluetooth-enabled motor, campers will be able to program their creations to move forward, back, clockwise, and tilt. A motion sensor will also be used at camp as a range detector, changing what our build does, if an object is close or far away.

LIGHTS, CAMERA, LEGO!

Produce a LEGO stop-motion animation movie with us this summer! Use LEGO bricks, LEGO minifigures, and special video-capture software to bring your LEGO dreams to life. Campers will express their creativity by developing stories with different characters, backgrounds, and sounds! Here we'll learn how to make characters move on screen, add artificial sounds, and overlay explosions! Movies will be saved on a USB drive, to share with friends and family after camp!

SNEAK peeks

Basics of Production

Campers will write and produce their own stop-motion animation Lego movie with minifigures, bricks, and changeable backgrounds. We'll discuss the number of frames needed for smooth motion, and then advance into techniques such as overlaying sound effects.

Introducing the Green Screen!

We know that every camper starts out at a different skill level and will progress at their own pace. To challenge students who advance quickly, we'll cover techniques related to green screening, which will open up our Lego movie up to even bigger and better effects!
