Students will create artwork for an LdV ARTLinks or community service project. **Parents, please plan to be with your child** during all Open Studio visits. We need you as volunteers for the students and it facilitates end of project timing. Yes, you can bring a friend's child to the open studio but please make sure each parent has had a conversation about attendance and pick-up to keep the Open Studio session light and fun for each child. PLEASE remind your student artists that they are attending Open Studio to make artwork and that this time is an extension of their learning day. Snacks may be eaten outside room 21 before the session begins. They are to remain in Room 21 throughout the duration of the project.

Open Studio is made possible by the LdV PTC. Please email UnChu.Littlefield.tateskitchen@gmail.com with questions

Yearbook Committee Needed!!!

Do you own a camera, like to take photographs, are creative and feel that documenting LdV and your child's memories are important? Then, do I have the committee for you. The yearbook committee is looking for assistance in creating a fantastic representation of our 2016-2017 school year. Duties could include photographing events, photographing students/teachers that missed photo day, class collage creation, photographing clubs and selling/distributing yearbooks.

I am also looking for someone to shadow me this year in order to share the yearbook coordination for next school year.

However, the most pressing item currently is finding someone to take on the coordination/design of the Middle School section of the yearbook.

If you are interested in any or all of these activities, please contact me at terrie_hammad@hotmail.com or (916) 804-3330.

Thank you, Terrie Hammad —LdV Yearbook Coordinator and Historian

If you are visiting a classroom, please sign in the book under Mona Lisa and wear a "Visitor" badge. Please sign out in the appropriate book before leaving. These precautions are for the safety of everyone on campus.

About the Newsletter

This newsletter is provided by the LdV PTC in conjunction with the LdV School Community Liaison. Please read it weekly in order to keep up with what is happening in our community. This is where you can get ideas about where and how to participate. This is also where you can announce any school related activities by submitting a short article about the event. Please be sure to include the date, time, and a contact name and number.

Déjà Vu?

If you read the newsletter weekly, some of the content may see familiar. Many parents choose to read the newsletter sporadically, and articles are run repeatedly so they can catch up. It maybe frustrating for you (and me) but read carefully since pages might seem the same but rest assured no two issues are exactly alike!

LdV on the Web & Facebook

The weekly newsletter (without additional flyers) can be found on the **LdV web site:** leonardodavincischool.org.

You may also download Tally Sheets in either Word or Excel. The files can be completed and emailed to diane-soule@scusd.edu. When you email a tally you will receive a reply. If you do not receive a reply it means your email was not received.

Like Us on Facebook and stay up to date on LdV events! <https://www.facebook.com/LeonardodaVinciKB>

Please Remember the FB page is purely informational and to support our school and it's culture. Please "like" us if you would like news about LdV, meeting reminders, and event updates.

Surrounded by LEGOs, K'Nex, and Solar-Powered Motors,

we are set loose each week to the task of a brand new building challenge. By building, testing, and rebuilding, we develop our *spatial reasoning*, get a better understanding of *structural integrity*, and almost in spite of ourselves, put some practical *geometry* to use. No matter how big the build, or how challenging the engineering concept, the #1 question our students ask is... **"Wait, is class over *already*?"**

How our classes work:

Classes are right on campus

Classes are held on campus, 10 minutes after the bell rings.

All supplies are provided

All building materials are provided and included in the class fee.

A brand new project every week
